A Note From Pastor Joel

This year, once again we are returning to four separate worship services on Christmas Eve. The previous two years we only held three; one at 4:00, one at 4:30, and one at 11:00 p.m. But, that was because Christmas Eve fell on a weekend, once on a Saturday and once on a Sunday. However, we realize that there are people who have to work on Christmas Eve day and making the 4:00 or 4:30 services may not be a possibility. And we know that 11:00 can be late, especially if you have children. Therefore, we will hold a 7:00 service once again.

As in years past, both 4:00 and 4:30 will feature our children's choirs. Our 11:00 service will be a traditional service in the Sanctuary with communion.

It is our hope and prayer that you will be able to join us to worship and remember how God, in his great mercy and love sent Jesus to be our Lord and Savior as a child in a manger. Let's keep this holiday as a Holy Day!

MISSION

HISTORY OF THE ADVENT WREATH

The first advent wreath was created in the early 1800s by Lutheran Pastor Johann Hinrich Wichern. During December, the children in his mission school would ask daily if Christmas had arrived. In response to their impatience and constant questioning, he designed a "wreath" from the wheel of a cart, featuring 20 red candles and 4 white ones. To help the children mark time in the buildup to Christmas, a new red candle was lit each weekday, increasing the number lit as each day passed. White candles were reserved for Sundays.

Although the advent wreath that is commonly used today was developed more recently, it follows the same basic idea. The wreath is made out of evergreens in the shape of a circle to represent eternal life. The Advent candles represent the fragile light of hope amidst the deep dark of the season. As Christ's Advent, or "coming" draws nearer, a new candle is lit each week, combining with the light of the candle from the passing week.

WEEK ONE

The first candle, which is purple, symbolizes hope. It is referred to as the Prophecy Candle in remembrance of the prophets, especially Isaiah, who foretold the birth of Christ. It represents the expectation felt in anticipation of the coming Messiah.

WEEK TWO

The second candle, also purple, represents faith. It is also called the Bethlehem Candle as it reminds us of Mary and Joseph's journey from Nazareth to Bethlehem before Mary gave birth to Jesus.

WEEK THREE

The third candle is pink and symbolizes joy. It is called the Shepherd's Candle, and is pink because rose is a liturgical color for joy. The third Sunday of Advent is Gaudete (the Latin word for Rejoice) Sunday and is meant to remind us of the joy that the world experienced at the birth of Jesus, as well as the joy we feel to reach the midpoint of Advent.

WEEK FOUR

On week four, we light the last purple candle to mark the final week of prayer and penance as we wait for the birth of our Savior. This candle, the Angel's Candle, symbolizes peace. It reminds us of the message of the angels: "Peace on Earth, Good Will Toward Men."

CHRISTMAS EVE

The fifth candle which is white, placed in the "center of creation," represents light and purity and is called Christ's Candle. It is lit on Christmas Eve.

Christmas Gift Bags will be ready by December 4th! They can be found in the Friendship Gathering Area. Help us spread the joy of the holiday season by delivering one (or more) of the bags. We're delivering special care bags to members of our church family who may have difficulty getting out, have experienced a loss, or are in their golden years. It's a small way to remind them they're loved and cherished. There are extra gift bags if you know someone that needs a little Christmas cheer.
