About Us

At "God Made Me" Preschool, we believe in nurturing the whole child - mind, body, and spirit. We strive to instill Christian values, a love for learning, and a sense of community in every child and aim to develop confident, compassionate, and curious learners.

Children will experience individual attention, by experienced teachers, as they make new friends and learn to interact with their peers. We offer a fun and creative curriculum that includes outdoor play, field trips, and classroom pets!

We actively partner with families to support each child's development and education. Through regular communication, parent-teacher meetings, and family events, we build a strong home-school connection that benefits every child.
